**1'-8" [50cm]

An architectural elevation drawing of a table. The table has a rectangular top with a grid pattern, supported by four legs. The drawing is split by a horizontal line representing the ground level. On the left side, the table is shown above ground. On the right side, the table is shown below ground. A vertical dimension line with arrows at both ends is positioned between the two halves of the table, indicating a height of 1 foot 8 inches (50 cm) from the ground level to the top of the table on the right side.
