

The image shows two identical technical drawings of a dome structure, positioned side-by-side. Each dome is a hemispherical shell with a complex internal truss or rib structure. The dome is supported by a central vertical post. A horizontal line at the base of the dome indicates the ground level. To the right of the first dome, there is a vertical dimension line with arrows at both ends, labeled with the number 751. To the right of the second dome, there is a vertical dimension line with arrows at both ends, labeled with the number 221. The drawing is a black and white line drawing.
