

The image shows a technical architectural elevation of a building facade. It features two distinct sections. The left section is a smaller structure with a complex roofline, including a gabled portion and a lower section. The right section is a taller, more rectangular structure with a flat roof and a small, angled section on its right side. Two vertical dimension lines with arrows at both ends are positioned between the two sections. The first dimension line, on the left, spans from the ground line to the top of the left section and is labeled with the text "**7'-1 1\" [240cm]". The second dimension line, on the right, spans from the ground line to the top of the right section and is labeled with the text "*7'-8\" [233cm]". The ground line is a solid horizontal line at the bottom of the drawing.

**7'-1 1" [240cm]

*7'-8" [233cm]
