

Tipi Carousel

ELE400064

Item no. ELE400064-3717GR	
General Product Information	
Dimensions LxWxH	3'11"x3'11"x1'9"
Age group	5 - 12
Play capacity (users)	6
Color options	

WOW! The spinning plate of the Tipi Carousel makes children laugh out from joy! It rotates, tickles the stomach and is spacious enough for a few friends, too. This will make children come back for more play again and again. The social appeal for children is evident: you can be active, close together. There is room for more friends seated, standing or even lying. This

trains cooperation and turn-taking skills. The physical play and training in spinning is the main fun factor. The rotation trains the sense of balance which is fundamental for all other skills. A well trained sense of balance helps children to navigate the world securely, for instance preventing falls when playing actively. It also positively affects the ability to sit still and

concentrate. The Tipi Carousel is an important, responsive activity for play and active breaks.

Tipi Carousel

ELE400064

Rotation

Physical: pushing or pulling into motion, children use their muscle strength and their cardio. The rotation develops the sense of balance and space when enjoying the ride.
Social-Emotional: listening and negotiating how slow or fast to go, children develop empathy and cooperation skills.

Spacious platform

Physical: allows for more body positions: sitting, lying, standing, which facilitates use for children with physical disabilities. **Social-Emotional:** facilitates many children using the Tipi Carousel simultaneously, supporting cooperation and turn-taking.

Shallow entry rim

Physical: support for entering and staying in when spinning. Eases entry for children with a range of mobility abilities. **Social-Emotional:** feeling of security when children lie or sit in Tipi Carousel. Provides a secure feeling for those seated when spinning.

Tipi Carousel

ELE400064

The bowls are made of recyclable PE. The bowls are molded in one piece with integrated metal thread bushings and water drain hole to ensure high durability in all climates around the world.

Heavy duty engineered bearing system with single row deep groove ball bearings with rubber seals. The fully closed bearing construction is lifetime lubricated and maintenance free. The bearing system has an integrated drag brake according to global safety standards.

Tipi Carousel has unique water drain system. Water drains automatically - assuring that carousel is always dry and ready to use. The water drain is covered by stainless steel strainer.

Item no. ELE400064-3717GR	
Installation Information	
Max. fall height	1'9"
Safety surfacing area	380ft ²
Total installation time	2.4 hours
Excavation volume	0.58yd ³
Concrete volume	0.41yd ³
Footing depth (standard)	3'3"
Shipment weight	151lbs
Anchoring options	In-ground ✓ Surface ✓
Warranty Information	
Bearing construction	5 Years
Hollow PE Parts	10 Years
Hot dip galvanized steel	Lifetime
Spare Parts Availability	10 Years

The Tipi Carousel is available in three different color options.

The sand colored variant is made of rotomolded stone mixed PE made from 33% post consumer materials with a non skid surface texture. Minor differences in the stone mix visuality of the material are to be expected.

GreenLine versions in a dark teal color are designed with molded PP parts which consist of 25% recycled post-consumer waste and 75% virgin material. GreenLine ensures the lowest possible CO2e emission factor.

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))

Verification of CO₂ calculation of: Freestanding play equipment

Data version no. 2023-10-05

The CO₂ calculation and data are in compliance with the principles of a carbon footprint impact according to the GHG protocol (Greenhouse Gas Protocol), Scope 3, cradle to gate related to all individual components in the product category: "Freestanding play equipment" represented by item no.: GXY916012-3417.

(Scope 3 emissions include emission sources in the upstream and downstream value chain).

Date: 30. October 2023 | Valid until: 30. October 2025
