Outdoor Furniture plays an important role in our communities, by adding an inviting and social atmosphere, a place to meet and socialize, or simply to get a moment of rest. ANITA is classic and comfortable park furniture that invites citizens to take a seat and relax. They blend into and enhance public areas like parks and playgrounds etc. ANITA Armrest is giving the

possibility to mount armrest to PAR1051, the Anita benches with backrest. The armrest will increase the comfort and make it easier for users to sit and get up and again. The Armrest is available in two version.

Anita Armrest for Bench with Backrest

PAR1057

The standard available benches and tables can be dressed up with back support, armrests, tables etc. and linked together into tailored solutions for the individual location.

The benches and tables can be combined in multiple settings by choosing individual products or assembled into larger solutions. See catalogue pages for more inspiration.

Powder coated top finish on top of galvanisation is processed in two steps: Light grinding and clean sweeping, powder coating - thickness 70-120 µm.

The hardware is made of stainless steel or galvanised steel to ensure durable connections with a high corrosion resistance.
