Play capacity (users)

Color options

The LOOP circle offers several seating and utility options. Loop Table adds a new set of functions, creating a small, colorful bench-and-table set.

Ideal for schools, playgrounds, and other urban recreational spaces.

LOOP Table, Surface

TPP29507

The Loops modular elements are made of rotation-molded polyethylene (PE) with a 6-7mm thickness. The Loops are UV-resistant, have excellent impact strength, and are usable within a large temperature span.

The Loops come in 10 standard colors, offering various options to personalize your product and ensure a perfect fit for your intended space.

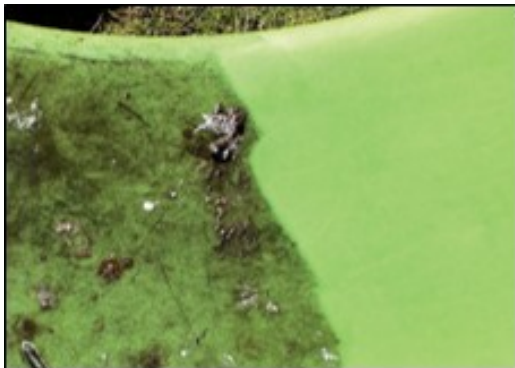

The Loops are available in a recycled version made from 100% recycled materials. 85% of the plastic is sourced from internal waste and production surplus, while the remaining 15% comes from polyethylene bags. The recycled version comes in an anthracite color.
