

Anita Bench with Backrest

PAR1051

Item no. PAR1051-0611	
General Product Information	
Dimensions LxWxH	180x56x79 cm
Age group	
Play capacity (users)	
Colour options	 

Outdoor Furniture plays an essential role in our communities by adding an inviting and social atmosphere, a place to meet, socialise or rest.

Anita is classic and comfortable park furniture that invites citizens to take a seat and relax. They blend into and enhance public areas like parks and playgrounds etc.

Anita Bench with Backrest is the seating possibility for multiple users. The backrest gives a good support when sitting and relaxing. Possibility to mount armrests for increased comfort and to make it easier for users to get back up again.

Anita Bench with Backrest

PAR1051

Bench is made of pine wood from sustainable European sources. The wood is pressure impregnated Class 3 with Tanalith E.

Steel internal surfaces are hot-dip galvanised, and the outside surfaces are lead and zinc free. Galvanisation has excellent corrosion resistance within outdoor environments and requires very little maintenance. Painted steel parts are hot-dip galvanised and then powder coated.

Galvanisation is manufactured with a two-step process which includes light grinding and clean sweeping, which is then finished with a top powder coating to 70-120 µm thickness.

Item no. PAR1051-0611	
Installation Information	
Total installation time	0.8
Excavation volume	0.12 m³
Concrete volume	0.09 m³
Footing depth (standard)	65 cm
Shipment weight	61 kg
Anchoring options	Surface ✓ In-ground ✓
Warranty Information	
Galvanised Steel	Lifetime
Painted Toplayer	10 years
Pinewood	10 years
Spare Parts Guarantee	10 years
Stainless Steel Components	Lifetime

KOMPAN outdoor furniture is available for surface and in-ground installation. Surface installation by anchoring to the base layer or in-ground installation as either direct in ground or additional hot dip galvanized steel brackets.

The standard available benches and tables can be customised up with back support, armrests, tables to create unique solutions for your project needs and locations.

The benches and tables can be combined in multiple settings by choosing individual products or assembled into larger solutions. See catalogue pages for more inspiration.

Sustainability Data

PAR1051

Cradle to Gate A1-A3	Total CO ₂ emission	CO ₂ e/kg	Recycled materials
	kg CO ₂ e	kg CO ₂ e/kg	%
PAR1051-0611	56.70	1.30	20.14

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))
