NRO415

Item no. NRO415-1021

General Product Information

Dimensions LxWxH 180x163x158 cm
Age group 1+
Play capacity (users) 12
Colour options

Wow! This attractive playhut inspires children to play together in both creative and imaginative ways. The open-ended design encourages themed and imaginative play within and around the playhut. Children will want to play longer due to the simple yet intentional design and the detail in its play features. The roof provides a sheltered space

allowing the children to move in and out of the playhut while using their imagination. The small window will supports play on all sides of the playhut and encourageing hide and seek games. Playing social games helps a child with their developmental. The bench adds a space to take a break and the desks provide more space for being creative. The open window

allows for exchanges from in and outside. All of these activities support a healthy development through play.

NRO415

# Window Social-Emotional: invites interaction between sides and cooperative play.

### Desk

**Social-Emotional:** great meeting place and space creator for storing or sitting.

#### Theme

**Cognitive:** suggests a theme and supports dramatic play, which stimulates language and communication skills.

#### Rench

Verification based on report: Validation of  $CO_2$  calculation of 9 categories of Kompan product line, version 1.0, prepared by: Bureau Veritas HSE, Denmark: Julie M. V. Larsen.

Publication date: 30. October 2023

By Bureau Veritas HSE www.bureauveritas.dk +45 7731 1000

Cradle to Gate A1-A3	Total CO <sub>2</sub> emission	CO₂e/kg	Recycled materials
	kg CO₂e	kg CO₂e/kg	%
NRO415-1021	53.08	0.19	1.50

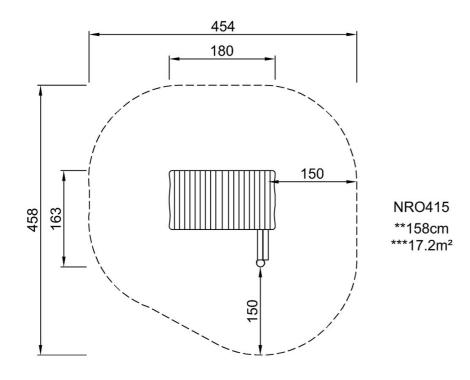

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))
