

Balance Plus

NRO871

The Balance plus is a playground classic, and helps children's development at the same time. It trains balance and coordination, and social skills when zig-zagging past friends on the log. It can also function as a point for having a break, providing seating for children, parents or carers. It is made of natural Robinia timber, which provides an organic structure that can

either blend into or stand out from your surrounds. Children can touch and feel the timber while playing, observing how nature inspiration interacts with the built environment

Balance beam

Physical: trains the sense of balance, fundamental for all other motor skills that makes it possible to navigate the world confidently and securely. **Social-Emotional:** turn-taking skills and negotiation when crossing each other on the beam. Room for a seated rest and exchange.

Support poles

Physical: provide stability in balancing.
Social-Emotional: adds a feeling of security.

| Item no. NRO871-1001 | |
| Installation Information | |
| Max. fall height | 46 cm |
| Safety surfacing area | 15.9 m² |
| Total installation time | 4.5 hours |
| Excavation volume | 0.50 m³ |
| Concrete volume | 0.30 m³ |
| Footing depth (standard) | 100 cm |
| Shipment weight | 275 kg |
| Anchoring options | In-ground ✓ |
| Warranty Information | |
| Robinia Wood | 15 years |
| Spare Parts Guarantee | 10 years |
| Stainless Steel Components | Lifetime |

Sustainability Data

NRO871

| Cradle to Gate A1-A3 | Total CO ₂ emission | CO ₂ e/kg | Recycled materials |
|----------------------|--------------------------------|-------------------------|--------------------|
| | kg CO ₂ e | kg CO ₂ e/kg | % |
| NRO871-1001 | 31.44 | 0.16 | 0.70 |

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))
