Playhouse with Roof & Wall

NRO402

Item no. NRO402-0601					
General Product Information					
Dimensions LxWxH	271x162x260 cm				
Age group	2 - 5				
Play capacity (users)	5				
Colour options					

This adorable ship with its pirate flag will attract children again and again. With its welcoming triangular shape, the Playhouse with Roof & wall adds a shelter-feel to the classic ship and suggests a wealth of sailing scenarios: on deck or below. This invites continued dramatic play scenarios. The Play House with roof and wall welcomes smaller and bigger groups of children for dramatic play. The steering wheel and flag set the stage for sailor's narratives and may evolve into harbor or fishing village themes when children play. Dramatic play trains children's imagination and feeling of control. Additionally, children play out everyday scenarios to under-stand their world better. While doing so, they talk with their peers. This hugely stimulates language skills as well as communication and negotiation skills.

Playhouse with Roof & Wall

NRO402

Theme Cognitive: suggests a theme and supports dramatic play, which stimulates language and communication skills.

Window Social-Emotional: invites interaction between sides and cooperative play.

Steering wheel Cognitive: the manipulative steering wheel invites dramatic play which supports language and communication skills.

Sand wheel Cognitive: the turning sand wheel stimulates cause and effect understanding.

Open space Social-Emotional: the open space allows for more children to be together and share. Important life skills like courage, selfconfidence, consideration and turn-taking are built.

All Organic Robinia products by KOMPAN are made of Robinia wood from sustainable European sources. On request it can be supplied as FSC® Certified (FSC® C004450).

The product/activities are preassembled from the factory to ensure all safety requirements are considered.

Robinia products are available in three different wood treatment options: Untreated Robinia wood or brown painted with a pigment that maintains the wood colour and coloured version with paint of selected components.

Item no. NRO402-	0601					
Installation Information						
Max. fall height	() cm				
Safety surfacing area	0.	0 m²				
Total installation time		6.9				
Excavation volume	0.2	8 m³				
Concrete volume	0.0	4 m³				
Footing depth (standard)	6) cm				
Shipment weight	47	5 kg				
Anchoring options	In-ground	>				

Warranty Information

EcoCore HDPE	Lifetime
Hot dip galvanised steel	Lifetime
PUR components	10 years
Robinia wood	15 years
Spare parts guaranteed	10 years

Elevated activities 0	Accessible elevated activities	Accessible ground level activities	Accessible ground level play types
Present	0	1	1
Required	0	1	1

Flag is made of 19mm EcoCore[™]. EcoCore[™] is a highly durable, eco-friendly material, which is not only recyclable after use, but is also made of +95% recycled post-consumer material from e.g., food packing waste in both core and colorful outer layer.

Julie Marie Vejsgaard Larsen, LCA & EPD Consultant

Verification based on report: Validation of CO₂ calculation of 9 categories of Kompan product line, version 1.0, prepared by: Bureau Veritas HSE, Denmark: Julie M. V. Larsen.

Publication date: 30. October 2023

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))
