stimulates cross-modal perception, important e.g. for reading. The bubble window in the tunnel bridge distorts voices when spoken into, evoking a sense of wonder and training logical thinking. From the roomy platforms a curly climber invites for a thrilling rotating ride back to ground level. There is a double slide also, which allows for carers to join in. The house

platforms offer appealing tactile details to explore, training logical thinking. So this is fun play and training of life skills.
