

Balance Posts with Rope

NRO821

Item no. NRO821-0901	
General Product Information	
Dimensions LxWxH	316x59x120 cm
Age group	4+
Play capacity (users)	3
Colour options	 

The Balance Posts with Rope appeal to children immediately. When walking or jumping from pole to pole, children train their proprioception and sense of balance, both skills are fundamental in confidently managing the body in its surroundings. This is important for instance when navigating street traffic safely, but it also plays an important role for

children's self confidence. The support rope can be used by those less confident in their balancing skills. Navigating across the Balance Poles with friends teaches children how to take turns. These are important social-emotional skills that are basic to the ability to form friendship and relate to peers. All in all, so much more than play.

Balance Posts with Rope

NRO821

Rope handholds

Physical: provides stability in balancing. Makes possible hanging in arms, training upper body muscles. **Social-Emotional:** adds a feeling of security.

Balance pods

Physical: sense of balance is trained, and bone density built when jumping between and off the pods. **Social-Emotional:** turn-taking and cooperation as well as room for a seated rest with friends.

All Organic Robinia products by KOMPAN are made of Robinia wood from sustainable European sources. On request it can be supplied as FSC® Certified (FSC® C004450).

Nets and ropes are made of UV-stabilised PA with inner steel cable reinforcement. The rope is induction treated in order to create a strong connection between steel and rope which leads to good wear resistance.

The Robinia wood can be supplied as untreated raw wood or painted with a brown coloured transparent pigment that maintains the golden wood colour of the wood.

Item no. NRO821-0901	
Installation Information	
Max. fall height	35 cm
Safety surfacing area	19.3 m²
Total installation time	3.3 hours
Excavation volume	0.55 m³
Concrete volume	0.28 m³
Footing depth (standard)	100 cm
Shipment weight	202 kg
Anchoring options	In-ground ✓
Warranty Information	
Robinia wood	15 years
Ropes & nets	10 years
Spare parts guaranteed	10 years

Sustainability Data

Cradle to Gate A1-A3	Total CO ₂ emission	CO ₂ e/kg	Recycled materials
	kg CO ₂ e	kg CO ₂ e/kg	%
NRO821-0901	23.96	0.14	0.50

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))
