Jungle 4x4

NRO563

General Product Information

Dimensions LxWxH 160x284x125 cm
Age group 2+
Play capacity (users) 8
Colour options

The Jungle ignites the child's imagination. With its appealing theme and look, it is a dramatic play starter. The many climb-and-crawl through options invite activity and stimulate motor skills such as cross-coordination. This stimulate the cross-modal perception which supports e.g. reading skills. It additionally trains muscles, proprioception and movement control. On the

easily accessible platform, a gear shift, steering wheel and seat add to the imaginative driving of the amazing Jungle. Dramatic play is the favorite play type for younger children. Apart from building an understanding of the world, dramatic play also trains language and communication skills intensely. The open design and the easy access of the Jungle

invites all children to benefit from play, making friends for life.

Jungle 4x4

NRO563

Theme

Cognitive: suggests a theme and supports dramatic play, which stimulates language and communication skills.

Cognitive: an understanding of cause and effect is developed when pushing something that moves. The theme of light switch supports dramatic play, which is known to stimulate language skills.

All Organic Robinia products by KOMPAN are made of Robinia wood from sustainable European sources. On request it can be supplied as FSC® Certified (FSC® C004450).

The paint used for coloured components is water based environmental friendly with excellent UV resistance. The paint is in compliance with EN 71 Part 3.

The Robinia products are designed with a KOMPAN colour concept with a number of different standard colours. The wood can also be supplied as untreated or with brown painted with a pigment that maintains the wood colour.

Item no. NRO563-1041				
Installation Information				
Max. fall height		28 cm		
Safety surfacing area	2	23.9 m²		
Total installation time	11.2	2 hours		
Excavation volume	C).80 m³		
Concrete volume	C).10 m³		
Footing depth (standard)	•	100 cm		
Shipment weight		636 kg		
Anchoring options	Surface	~		
	In-ground	~		
Warranty Information				
EcoCore HDPE	Lifetime			
Hot dip galvanised steel	Lifetime			
Membrane	2 years			

There are Multiple footing options for all products: Surface anchoring with steel footings and expansion bolts. Wood in-ground or steel in-ground footings.

Panels of 19mm EcoCore™. EcoCore™ is a highly durable, eco friendly material, which is not only recyclable after use, but also consists of material produced from +95% recycled post consumer material from food packing waste.

The Robinia wood can be supplied as untreated raw wood, painted with a brown coloured transparent pigment that maintains the golden wood colour or in a coloured version where selected components are painted in different colours.

Cradle to Gate A1-A3	Total CO₂ emission	CO₂e/kg	Recycled materials
	kg CO₂e	kg CO₂e/kg	%
NRO563-1041	195.00	0.40	9.57

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))
