Double Stairs

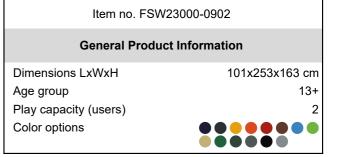

FSW230

The stair is a very common everyday obstacle. Maintaining the ability to safely overcome any stairs is very important for elderly people to safely move around in urban environments. The stairs are available in two different versions: normal stairs or steep stairs. This allows for progression in exercise that can fit everyone – for example going from the normal

stairs with hand support to the steep stairs without support. The stairs can also be used for simple effective exercises like step-ups, lunges and even jumping.

See KOMPAN Fit app for more

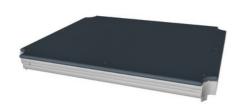

Double Stairs

FSW230

The bar is 1400mm long, with a height of 940mm and is intended as grip during exercises. The bar is made of hot-dip galvanised steel ø38mm, a great diameter for a good grip and to support the wrist.

All decks are supported by unique designed aluminium profiles with multiple attachment options by usage of pressure moulded aluminum connectors. The HPL decks with a thickness of 17.8mm with a very high wearing strength and a unique KOMPAN nonskid surface texture.

Post are made of Ø101.6 x 2mm, pregalvanized carbon steel and powder coated, a great protection to all conditions.

Installation Information				
Max. fall height		69 cm		
Safety surfacing area	2	0.0 m²		
Total installation time		9.9		
Excavation volume	0	.23 m³		
Concrete volume	0	.12 m³		
Footing depth (standard)		90 cm		
Shipment weight	3	319 kg		
Anchoring options	In-ground	~		
	Surface	•		

Item no. FSW23000-0902

The information sign is made of a PA6 (Polyamide) and shows the most relevant exercise and a QR code. When scanned the QR code will link to an animated illustration of the exercise and offers the possibility of downloading the KOMPAN sport & fitness App, which will provide a large amount of exercises and workouts.

The connectors are made of die-cast aluminium, specially alloyed for the outdoor environments and heavy usage. The screws attaching the connectors are stainless steel and protected by zinc washers.

KOMPAN fitness products are standard available in Orange, Anthracite Grey, Medium Grey, Dark Grey, Night Sky Blue, Light Blue, Yellow, Red, Black, Moss Green, Lime Green, Medium Green, Sand and Nut Brown. All other RAL colours are available on request. It will always be possible to match the surroundings or colour theme!

Sustainability Data

FSW230

Cradle to Gate A1-A3	Total CO₂ emission	CO₂e/kg	Recycled materials
	kg CO₂e	kg CO₂e/kg	%
FSW23000-0902	614.30	2.81	44.00

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))
