

LOOP Circle with Light

TPP29501

With its circular form and individual colours Loop creates a characteristic environment in urban spaces, playgrounds, parks, schools etc. For children in schools and other institutions Loop will be irresistible for a break or play. Loop can be used indoor + outdoor in various social and cultural contexts to take an informal rest or movement on, in and around. Ideal for

4-6 people.
The integrated LED-light tube glows through the translucent polyethylene surface with a uniform luminance. The optimal light output is achieved with max 20 lux light from the surroundings.

LOOP Circle with Light

TPP29501

The Loops modular elements are made of rotation molded polyethylene (PE) with at thickness of 6-7mm. The Loops are UV-resistant, have excellent impact strength and are usable within a large temperature span.

The product molds are textured through abrasive blasting, enhancing surface friction and reducing slipperiness ensuring a safer experience.

The Loops come in a variety of standard colors, offering options to personalize your product and ensure a perfect fit for your intended space.

Item no. TPP29501-0001	
Installation Information	
Total installation time	0.0 hours
Excavation volume	0.00 m³
Concrete volume	0.00 m³
Footing depth (standard)	0 cm
Shipment weight	37 kg
Anchoring options	In-ground ✓ Surface ✓
Warranty Information	
Supplier warranty applies	

The Loops can be anchored to the ground by filling them with water or sand using integrated plugs. Alternatively, they can be secured using surface or ground brackets.

This product withstands most cleaning agents and chemicals and can be cleaned using a high-pressure cleaner. The color can be revived using vinyl cleaner or similar.
