

Castle's Keep

PCM114031

This great Keep Main Castle offers a multitude of play activities that stimulate both physical skills and role play in a fantastic varied play structure with cannons. The Castle can be entered from great climbing net inside the structure or up the stairs. Once on elevated level different activities support children's physical development. The huge thrilling tube

slide develop children's spatial awareness, their balance is stimulated when sliding down the banister bars and the fireman's pole develop children's bone density. On the ground level of the Castle a treasure box and the jail window stimulate children's fine motor skills and teach them about cause and effect.

Verification of CO₂ calculation of: Themed play systems

Data version no. 2023-10-05

The CO₂ calculation and data are in compliance with the principles of a carbon footprint impact according to the GHG protocol (Greenhouse Gas Protocol), Scope 3, cradle to gate related to all individual components in the product category: "Themed play systems" represented by item no.: MSC641100-3717P.

(Scope 3 emissions include emission sources in the upstream and downstream value chain).
