Outdoor Furniture plays an important role in our communities. Whether it's a place to meet and chat or simply to get a moment of rest, Outdoor Furniture adds socialization and comfort to any space. ANITA is classic, comfortable park furniture that invites anyone to take a seat and relax. They enhance public areas like parks and playgrounds, and they blend well into any

environment. ANITA Armrest gives the possibility to mount an armrest to PAR1050, the Anita benches without backrest. The armrest increases comfortability and eases the user's ability to sit down and get up.

Anita Armrest for Bench without Backrest

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))
