Sit, enjoy, and talk! Combining Loop Cone at the center of 6 surrounding HopOp 500 opens up new opportunities for creating small, informal seating groups. A table-and-bench set where form, material, and color unite to form fun furniture. LOOP Picnic HopOp 500 constitutes an alternative to traditional table-and-bench sets.

LOOP Picnic 500

TPP29620

The Loops modular elements are made of rotation-molded polyethylene (PE) with a 6-7mm thickness. The Loops are UV-resistant, have excellent impact strength, and are usable within a large temperature span.

The product molds are textured through abrasive blasting, enhancing surface friction and reducing slipperiness, ensuring a safer experience.

The Loops come in 10 standard colors, offering various options to personalize your product and ensure a perfect fit for your intended space.

Item no. TPP29620-0005

Installation Information

Total installation time	0.0
Excavation volume	0yd ³
Concrete volume	0yd ³
Footing depth (standard)	0'0"
Shipment weight	127lbs
Anchoring options	In-ground ✓ Surface ✓

The Loops are available in a recycled version made from 100% recycled materials. 85% of the plastic is sourced from internal waste and production surplus, while the remaining 15% comes from polyethylene bags. The recycled version comes in an anthracite color.

The Loops can be anchored to the ground by filling them with water or sand using integrated plugs. Alternatively, they can be secured using surface or ground brackets.

This product withstands most cleaning agents and chemicals and can be cleaned using a high-pressure cleaner. The color can be revived using vinyl cleaner or similar.
