NRO402

Item no. NRO402-0601

General Product Information

Dimensions LxWxH 8'11"x5'4"x8'6"

Age group 2 - 5

Play capacity (users) 5

Color options

This adorable ship with its slanted roof and familiar pirate flag will attract children again and again. With its welcoming triangular shape, the Playhouse with Roof & wall adds a shelterfeel to the classic ship and suggests a wealth of sailing scenarios: on deck or below. This invites continued dramatic play scenarios. The Play House with roof and wall welcomes

smaller and larger groups of children to play. The steering wheel and flag set the stage for sailor's narratives and may evolve into harbor or fishing village themes when children play. Dramatic play trains children's imagination and feeling of control. Additionally, children play out everyday scenarios to understand their world better. While doing so, they talk with their

peers. This hugely stimulates language skills as well as communication and negotiation skills.

NRO402

Theme

Cognitive: suggests a theme and supports dramatic play, which stimulates language and communication skills.

Open space

Social-Emotional: the open space allows for more children to be together and share. This builds important life skills like courage, self-confidence, consideration and turn-taking.

Social-Emotional: invites interaction between sides and cooperative play.

Steering wheel Cognitive: the manipulative steering wheel invites dramatic play that supports language and communication skills.

Sand whee

Cognitive: the turning sand wheel stimulates cause and effect understanding.

NRO402

All Organic Robinia products by KOMPAN are made of Robinia wood from sustainable European sources. On request it can be supplied as FSC® Certified (FSC® C004450).

The product/activities are preassembled from the factory to ensure all safety requirements are considered.

Robinia products are available in three different wood treatment options: Untreated Robinia wood or brown painted with a pigment that maintains the wood color and colored version with paint of selected components.

Item no. NRO402	-0601				
Installation Information					
Max. fall height		0'0"			
Safety surfacing area		Oft ²			
Total installation time		6.9			
Excavation volume	0.3	37yd³			
Concrete volume	0.0	Ͻ5yd³			
Footing depth (standard)		2'0"			
Shipment weight	9	73lbs			
Anchoring options	In-ground	~			

NIDO 400 0004

Warranty Information				
EcoCore HDPE	Lifetime			
Hot dip galvanized steel	Lifetime			
PUR components	10 Years			
Robinia Wood	10 Years			
Spare Parts Availability	10 Years			

Flag is made of 19mm EcoCore[™]. EcoCore[™] is a highly durable, eco-friendly material, which is not only recyclable after use, but is also made of +95% recycled post-consumer material from e.g., food packing waste in both core and colorful outer layer.

Cradle to Gate A1-A3	Total CO ₂ emission	CO₂e/kg	Recycled materials
	kg CO₂e	kg CO₂e/kg	%
NRO402-0601	63.36	0.18	2.19

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))

Verification of CO₂ calculation of: Nature play

Data version no. 2023-10-05

The CO_2 calculation and data are in compliance with the principles of a carbon footprint impact according to the GHG protocol (Greenhouse Gas Protocol), Scope 3, cradle to gate related to all individual components in the product category: "Nature play" represented by item no.: NRO409-0621.

(Scope 3 emissions include emission sources in the upstream and downstream value chain).
