The Water Lilies Balance Posts appeal to children who love to play 'The Ground is Lava' game. The Water Lilies invite jumping or balancing from one to the next. The can also be used as individual seats and cater for meeting and exchanging. The Water Lilies are wide so appeal to children who are less confident with balancing. When balancing from

one water lily to the other, children train their proprioception and sense of balance, both fundamental skills in confidently managing the body in its surroundings. Crossing the Water Lilies with friends teaches children how to take turns. These are important social-emotional skills that are basic to the ability to form friendship and relate to peers.

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))
