The Chicken Farm & Horse Carriage encourages toddlers to move their bodies and explore. The thrill of crawling up and sliding down is fun and it also trains the toddlers' cross-coordination and balance skills. fundamental to moving confidently in the world. The multitude of moveable sand scoops, eggs and hens that can tilt and reveal eggs, make

for great cognitive-creative play. Toddlers' logical thinking skills and language skills are intensely motivated by these tactile, themed elements. The Carriage side with horse is a fantastic meeting point. It adds to dramatic play and play stories. Taking turns sitting on the horse trains important social-emotional skills, fundamental in friendship building. The QR-

code additionally opens to a world of play stories and educational games around the stories of Hans Christian Andersen. Children will love spending hours playing on The Chicken Farm & Horse Carriage.

Item no. MSC542601-3417P Installation Information

Handholds are made of injection moulded highquality nylon (PA6) which has good wearing and impact strength.

The steel surfaces are hot-dip galvanised inside and outside with lead-free zinc. The galvanisation has excellent corrosion resistance in outside environments and requires low maintenance.

Saddle is made of PUR. It retains its properties in the temperature range of -30°C to 60°C and the material is UV stabilised.

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))
