

LOOP Table, inground

TPP29506

Item no. TPP29506-0001

General Product Information

Dimensions LxWxH 70x70x73 cm

Age group

Play capacity (users)

Colour options

The LOOP circle offers a number of seating and utility options. Loop Table adds a new set of functions, creating a small, colourful bench-and-table set.

Ideal for schools, playgrounds and other urban recreational spaces.

LOOP Table, inground

TPP29506

The Loops modular elements are made of rotation molded polyethylene (PE) with a thickness of 6-7mm. The Loops are UV-resistant, have excellent impact strength and are usable within a large temperature span.

The Loops come in 10 standard colors, offering a variety of options to personalize your product and ensure a perfect fit for your intended space.

The Loops are available in a recycled version made from 100% recycled materials. 85% of the plastic is sourced from internal waste and production surplus, while remaining 15% comes from polyethylene bags. The recycled version comes in an anthracite color.

This product withstands most cleaning agents and chemicals and can be cleaned using a high-pressure cleaner. The color can be revived using vinyl cleaner or similar.
