

The image shows a technical drawing of a window frame. On the left, a vertical dimension line with arrows at both ends is labeled with the number 240. The drawing itself consists of two main rectangular sections. The left section is a simple rectangle with a vertical line on the left and a vertical line on the right. The right section is a similar rectangle but includes a vertical line in the middle, representing a mullion. The top lines of both sections are slightly curved downwards, indicating a sloped top rail. The entire drawing is rendered in black lines on a white background.

\*\*240
