You & Me Seat H:2,5m

SW990121

Item no. SW990121-00	
General Product Information	
Dimensions LxWxH	61x93x0 cm
Age group	1+
Play capacity (users)	2
Colour options	

The You & Me swing seat encourages play and interaction between different generations whether it's parents and children, teachers and students, older siblings and younger ones. The You & Me swing seats research-driven design has resulted in revolutionary features including the easy to access open frame and varied swing seat heights for eye-to-eye contact whilst swinging, making this the go-to swing for adult and child socialising and bonding. The seat is suitable for 2.5m and 3m swing frames. Additional features: Steel frame and galvanised and powder-coated, stainless steel chains, lifetime warranty on some parts.

SW990121

Toddler seat

Physical: balance and spatial awareness. Good back support and space to ease putting children in the seat and lifting them up, including winter clothing. **Social-Emotional:** eye-height with adult stimulates social contact and emotional bonding. The high sides support the child's seated position. **Cognitive:** swinging movement supports understanding of cause and effect.

Grip bars Physical: height and diameter to support grips of sizes from toddler to grandparent. Social-Emotional: feeling of security when being able to hold onto properly proportioned grip.

Back support Physical: good, soft back support. Social-Emotional: feeling of security and comfort.

Openings for legs Physical: ease of seating and room for movement. Facilitate lifting the child in and out the seat.

Low, open seat

Physical: adult: possibility to place the toddler in the seat while keeping eye-contact.Older child: training of motor and muscle skills. Social-Emotional: security in responding to toddler's moods while swinging.

You & Me Seat H:2,5m

SW990121

KOMPAN heavy duty designed swing hangers of stainless steel with anti-twist function. The hangers are attached to the cross beam on a welded bracket with two bolts, The bearings are embedded with silicone lubricant and needs no further lubrication.

The You & Me Swing seat is fitted with 6mm stainless steel chains.

The frame is powder coated inside & outside hot-dip galvanised steel and the bumper on the back side of frame is made of PUR.
