The Fairytale Throne with 10 Pole Seats is a fantastic invitation to sit and take a story telling break from the wilder play in the playground. The big throne allows for an adult or bigger child to gain the attention of children, seated on the Pole Seats. This is great training of attention, communication and language skills. The Pole Seats additionally make a great

balancing trail which children can walk or jump, training cross-coordination and building bone density. The Fairytale Throne with 10 Pole Seats will be a great addition to any preschool or primary school playground as part of an outdoor classroom. The training of listening and attention is extra important for today's children, allowing a respit from the many screen-based

activities. The outdoor classroom additional offers the advantage of fresh air.

Fairytale throne
Social-Emotional: sharing, listening when
having a break in the seating setting.
Cognitive: suggests a theme and supports
dramatic play, which stimulates language and
communication skills.

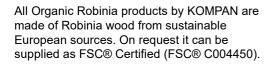

Physical: balancing and jumping from one seat to the next trains balance, proprioception and builds bone density. Social-Emotional: sharing, listening when having a break.
