Outdoor Furniture plays a vital role in our communities by adding an inviting and social atmosphere, a place to meet and socialize or to get a rest. ANITA is classic and comfortable park furniture that invites citizens to sit and relax. They blend into and enhance public areas like parks and playgrounds, etc. ANITA Inclusion Armrest allows the ability to mount

the armrest to PAR1051, the Anita benches with backrest. The armrest will increase comfort and make it easier for users to sit and get up again. The Armrest is available in two versions. This Inclusion version is shorter for better access.

Anita Armrest for Bench with Backrest - Inclusion

PAR1058

The standard available benches and tables can be dressed up with back support, armrests, tables etc. and linked together into tailored solutions for the individual location.

The benches and tables can be combined in multiple settings by choosing individual products or assembled into larger solutions. See catalog pages for more inspiration.

Powder coated top finish on top of galvanization is processed in two steps: Light grinding and clean sweeping, powder coating - thickness 70-120 µm.

The hardware is made of stainless steel or galvanized steel to ensure a high corrosion-resistant, durable connection.
