

LOOP Table, Inground

TPP29506

Item no. TPP29506-0001	
General Product Information	
Dimensions LxWxH	2'4"x2'4"x2'5"
Age group	
Play capacity (users)	
Color options	

The LOOP circle offers several seating and utility options. Loop Table adds a new set of functions, creating a small, colorful bench-and-table set.

Ideal for schools, playgrounds, and other urban recreational spaces.

LOOP Table, Inground

TPP29506

The Loops modular elements are made of rotation-molded polyethylene (PE) with a 6-7mm thickness. The Loops are UV-resistant, have excellent impact strength, and are usable within a large temperature span.

The Loops come in 10 standard colors, offering various options to personalize your product and ensure a perfect fit for your intended space.

The Loops are available in a recycled version made from 100% recycled materials. 85% of the plastic is sourced from internal waste and production surplus, while the remaining 15% comes from polyethylene bags. The recycled version comes in an anthracite color.

This product withstands most cleaning agents and chemicals and can be cleaned using a high-pressure cleaner. The color can be revived using vinyl cleaner or similar.
