This activity magnet is for intense rough-and-tumble and social play. With its ample space for socialising, its play variation and inclusive elements, this Triple Tower with Shade motivate children for hours of up-scaled play together. The three connected decks invite group play on the elevated as well as ground level, allowing for all abilities to join in the play.

The platforms are attractive destinations, that can be accessed by the stairway, wobbly links and a climbing net. The varied egresses provide variation in thrill. The Wackle bridge is a great team activity, stimulating balance and social play. The play variety tick the boxes for Agility, Balance and Coordination, fundamental to navigate traffic safely. It provides muscle

training of core, legs and arms. The sensory details stimulate thinking skills. Meeting corners encourage socialising. A formula to make children play on and on.
